Dear

I would like to share what I will be doing this summer. This summer I have the opportunity to serve at Camp Joy as a summer missionary. Serving at camp has been such a special experience because I get to see kids build their faith, grow their confidence, and find a true understanding of God's love for us. Camp Joy is a place where kids grow their relationship with God, create memories and life long friends.

Camp has been very influential in my life and has helped lead me toward wanting to serve as staff myself. I love being able to be a part of this amazing team and pour into kids the same way others did for me. Whether it is through conversations, activities, or just being present for campers, I love getting to be someone who encourages and guides them. This opportunity has helped me grow in my own faith while also showing me how much joy comes from serving others.

This upcoming school year I will be a senior in high school, and I am grateful for all of the opportunities and responsibilities I have been given. I am involved in leadership roles such as National Honor Society, serving as an FFA officer, and being active in many other extracurricular activities. These experiences have helped me grow as a leader and have strengthened my passion for working with and helping kids.

Preparing for the year ahead, I have many responsibilities and expenses that come with it. I am trusting that through prayer, encouragement, and the support of those around me, God will continue to provide and guide me.

Yours sincerely,

Jayden Lind
