

Ray Jurey

Camp Joy Summer Missionary

Hello!

June 30th, 2026

My name is Ray Jurey and I am from Alma, Nebraska. I am going to be a senior at Alma High School this upcoming school year. I participate in band as a bass drummer, choir and other activities in school. After high school, I intend to go to college to become a sports broadcast announcer. I have been going to camp joy ever since I could back in 2014. It is something I look forward to every summer. I have also attended the fall and winter retreats the past several years.

What I'm doing

I am a summer missionary this year at Camp Joy. I will be staffing at all of the summer camps. I hope to help people grow their faith in Jesus, as I am growing my own faith. I love and enjoy helping people in many different ways. Some of this can be pretty difficult.

How you can help

A donation would not only help me but also my fellow missionaries. My fellow missionaries and I are donating our time to help the children have a great time this summer instead of working a summer job or just hanging out. As I am a senior in high school this fall, I will be getting ready for college as will some of the other missionaries. Any donation will help me and the others

Please pray for us and the kids for us to have a great time at Camp Joy and to help grow closer to the lord.

Sincerely,

Ray Jurey
