

CAMP JOY

Dear,

I would like to share what I have been doing this summer.

This summer, I have been serving as a summer missionary at Camp Joy. Camp Joy is a place where kids get to experience the love of Jesus through fellowship, fun, and learning what the Bible teaches. This summer we have an outdoors/camping theme and are learning how to be equipped to serve Jesus. So far, we have had super fun decorating days, staff training, day camp, intermediate camp, and junior camp. I am looking forward to junior high camp, high school camp, little kids camp, and july camp. Camp Joy has had a huge impact on my own life since I started back in elementary school. It helped me grow in my faith and build lasting Christian friendships. Being able to now pour into campers the same way others poured into me is something I am incredibly grateful for and excited to do this summer!

I'm currently a student at the University of Nebraska at Kearney, studying Communication Disorders with a minor in Music, with hopes of becoming a Speech Language Pathologist. I've grown up involved in church, starting at Heartland Worship Center in Agra and now attending Citylight Church in Kearney, where I'll be serving on the SALT college ministry leadership team. I have a heart for sharing the hope of Jesus and helping others grow in their faith.

As I spend my summer serving at camp, I'm also preparing for the upcoming school year. This includes covering college tuition, rent, and everyday living expenses. While I'm grateful for the opportunity to invest in ministry, I also need to ensure I can meet these financial responsibilities. Because of that, I'm trusting God to provide through the support of others.

This is where I would love to invite you to partner with me. There are two important ways you can be involved:

1. **Please pray** for me, the other staff, and the campers.
2. **If you feel led to give**, your donation will help cover the costs that allow me to serve at camp and support the ministry happening there.

By donating, supporting, and praying for me and the other staff, you are partnering with us to share the Gospel and make a meaningful difference in the lives of campers.

If you would like to give or want more information, you can visit the **Camp Joy website** (nebraskacampjoy.com/summer-missionaries), or support me in either of these formats.
